At the Annual General Meeting held on 22 March 2010, the motions to amend the Articles of Association and to extend the authority of the Supervisory Board were adopted. The size of the share capital, voting rights and custodian bank

Jyske Bank’s share capital is DKK 648 million divided into shares of DKK 10. Each share amount of DKK 10 gives one vote, provided always that 4,000 votes is the highest number of votes any one shareholder may cast on his own behalf. To exercise the voting right of a share that has been acquired through a transfer, the share must at the latest on the day prior to the notice of the General Meeting be registered to the name of the holder in the Bank’s register of shareholders or the title to the share must by the same deadline be notified and documented to the Bank.

Jyske Bank's shareholders may choose Jyske Bank A/S as their custodian bank in order to exercise their financial rights through Jyske Bank A/S.
